You are covered for any number of trips, each up to 90 days in duration but not for longer stays and provided the outward and return journeys are completed in the Period of Cover.

2. tow of the Bike from the place of Breakdown or Accident to the nearest local repairer where You may arrange repairs and either:
 - a) a contribution towards labour charges at a garage if it is possible to effect the repairs necessary to enable the Bike to continue the journey on the date of Breakdown; or
 - b) inspection fees, in the event of a Breakdown, to confirm that the Bike cannot be repaired by Your return travel date and Your request for assistance will include authorisation for Us to arrange this; and
3. storage charges for the Bike while awaiting repair or repatriation; and
4. the cost of wheel changes but not for replacement tyres

We will not pay for:

- any labour costs other than those incurred at the roadside. We will not pay labour costs at any garage to which the Bike is taken other than under paragraph numbered 2 above; or

- the cost of parts used for roadside or garage repairs; or
- the cost of any repairs not directly necessary to enable the Bike to continue the journey on the date of the Breakdown; or
- the cost of any other supplies, including but not limited to Specialist Equipment

If the appropriate RAC control centre can confirm repairs to the Vehicle will take more than 12 hours of being notified of a Breakdown, or if it is to be repatriated to the United Kingdom, then We will pay for either;

- a) Additional accommodation expenses

We will pay up to £30 per person per day towards necessary additional (not alternative) accommodation expenses (room only) while You wait for Your Bike to be repaired, providing the appropriate RAC control centre can confirm repairs will take more than 12 hours, or if it is to be repatriated to the United Kingdom.

We will not pay for the costs of meals and any other costs that are not specified above

Or

- b) Journey continuation or return Home

- Continue the planned journey during the period Your Bike is not roadworthy
- Return Home by direct route

Expenses can comprise of self-drive car hire up to 14 days per Claim, including collision damage waiver (see "Important self-drive hire car information") and replacement Green Card as necessary, or second/standard class rail, or a combination of both.

RAC will in its reasonable discretion decide which course of action to adopt, but RAC will take into consideration Your preference.

You must collect the Bike when repaired as once the Bike is repaired and You have been notified, RAC will not pay any further expenses other than the costs of collection.

This benefit is also available if Your Bike is stolen and not recovered within 24 hours of reporting the matter to the police. A police report must be obtained. However, this benefit will cease if Your Bike is recovered in a roadworthy condition.

We will not pay for:

You are entitled to either of the following services:

You will have the following cover if RAC can confirm that repairs cannot be completed by your planned return date to the United Kingdom and providing the cost of repatriation is not uneconomical.

(Repatriation will be uneconomical if it will cost more than the UK market value of Your Vehicle according to the Glass' guide or other appropriate industry standard used by RAC) Cover is available for either;

a) Bike repatriation

We will pay for the cost of taking the Bike by road transporter from abroad to Your Home or chosen UK repairer for repair.

We will also pay the costs of packing and freighting Your baggage if the Bike is declared a 'Write-off' by the Bike's insurers.

When repatriation is authorised it normally takes 10–14 working days for delivery to a UK address from most west European countries. At busy times and from east European countries it may take longer.

We will not pay for:

- Claims for any repatriation not authorised by the appropriate RAC control centre
- The cost of repatriation if this is uneconomical. Repatriation will be uneconomical if it will cost more than the UK market value of Your Bike according to Glass's guide
- The cost of repatriation if Your Bike is roadworthy
- Any Claim if Your Bike is being repatriated and Customs in any country find its contents are breaking the law
- Any further costs in connection with the Bike once declared a write-off by Us

Or

b) Collection of Bike from Abroad

- Standard/second class rail fare plus other public transport fares which are necessary to reach the place of collection
- Additional homeward cross channel ferry or rail fare for the repaired Bike (calculated by taking the actual fare less the value of any unused homeward portion of Your original cross channel ticket)
- Up to £30 per night for single room hotel accommodation necessary to complete the round trip (limited to room only).

We will not pay for:

- First class rail fares
- The cost of any meals
- The costs of more than one person

Note: The appropriate RAC control centre will, after taking a fair and reasonable view, decide whether Your Bike should be repaired abroad for You (or someone nominated by You) to return and collect.

Authority for repatriation or repair

If Your Bike is not able to be ridden due to a road traffic Accident, fire, break-in or theft, any damage which You are entitled to have repaired by Your Bike insurers must be reported to them immediately. Your insurers must decide whether to declare the Bike is a write-off, authorise repair abroad or have the Bike repatriated. We cannot repatriate the Bike unless Your insurers first give their permission.

We also reserve the right to negotiate with them to reclaim costs incurred. If Your insurers cannot or do not give permission to repatriate then it is Our decision alone whether to declare the Bike a write-off, or repatriate or repair locally a Bike which cannot be ridden as a result of a Breakdown, or as a result of road traffic Accident, fire or theft, for which You do not have fully comprehensive cover.

Additional services

We will pay for the costs of providing the following if applicable:

Spare parts dispatch

If as a result of a Breakdown Your Bike needs parts but these are unavailable locally We will pay for:

- Freight, handling and ancillary charges for dispatch of spare parts not obtainable locally
- The fare for one person to collect parts from the appropriate railway station or airport

We will not pay for:

The cost of parts themselves, which must be paid on receipt. When telephoning the RAC control centre You will be asked for Your credit card details. Alternatively You will be asked to pay for the part(s) direct to the repairer.

Accidental damage to or loss of tent

We will pay:

A contribution to accommodation expenses of up to £30 per person per day if during the Period of Cover You are camping and Your tent is damaged accidentally making it unusable, or it is stolen.

Alternatively, We may at Our option authorise the cost of a replacement tent. If Your tent is stolen You must report the theft to the police within 24 hours and obtain a written report.

We will not pay for:

- The cost of meals or any other costs that are not specified above caused by weather conditions
- The cost of a replacement tent not authorised by Us
- Any costs if Your tent was stolen and You do not report the theft to the police within 24 hours and obtain a written report

Urgent message relay service

We will pay for:

The cost of relaying urgent messages from the appropriate RAC control centre to Your immediate relatives or close business associates if the Bike cannot be ridden because of Breakdown, Accident or fire or it is stolen.

We will not pay for:

- The cost of non urgent messages or messages to persons not described in the previous paragraph
- The cost of relaying any urgent message not arranged through the appropriate RAC control centre

Customs claims Indemnity

We will pay for Continental or Irish Customs claims for duty if:

- the Bike is beyond economic repair as a result of fire or theft abroad during the journey and it has to be disposed of abroad under Customs supervision; or
- It is stolen abroad during the journey and not recovered. RAC will deal with necessary Customs formalities.
- To arrange, please call: RAC European Support, 0870 5 49 33 20 (Calls may be recorded and/or monitored) Monday–Friday 9am–5pm

We will not pay any import duties not relating to the Bike.

Please note:

You may only make one claim per journey and You may make a maximum of two claims per year. There is an overall limit of £2500 per Claim applied to the European section of this Policy. Policy Requirements and Limitations (Service in the UK and abroad)

POLICY REQUIREMENTS AND LIMITATIONS

Credit card details

We will require Your credit card details if We arrange a service for You which is not covered by these terms and conditions or if it exceeds the limits set out in the part(s) entitled "Terms and Conditions". If You do not provide Us with Your credit card details RAC will not be able to provide certain services which will be notified to You when credit card details are requested.

Motorcycles

It is not possible for Us to hire a motorcycle if a replacement vehicle is required. A hire car or alternative transport will be arranged, whichever is most suitable. We are also unable to hire a trailer for you to transport Your Bike.

Trailers

The Bike restrictions in this Policy apply equally to trailers except that the maximum length of trailers must not exceed 7.6m. If the Bike which has suffered a Breakdown is towing a trailer and We provide Recovery, the trailer will be recovered together with the Bike to a single destination. Other than as set out in this paragraph trailers are not covered by this Policy.

We do Our best to find solutions to motoring problems, but We regret We cannot arrange a replacement trailer in the event of Breakdown or Accident damage which cannot be repaired. It is also virtually impossible to hire cars with tow bars and it may become necessary to repatriate a trailer together with a towing vehicle which cannot be repaired abroad by the return date.

Unforeseeable losses or events

Except in relation to any claim You may have for death or personal injury, if We are in breach of the arrangements under this contract, We will not be liable for any losses or damages which are not a reasonably foreseeable result of any such breach, for example, loss of profit, loss of revenue or anticipated savings, loss of contacts, or for any business losses.

We do not guarantee the provision of any of the benefits under Your Policy, if there is anything beyond Our reasonable control or the reasonable control of any service provider which prevents Us or a service provider from providing that benefit. Benefits may be refused if You or any of Your Party behaves in a threatening or abusive way to any persons providing service under this Policy

Taxi Bookings

In some circumstances it can be quicker and easier for You to arrange a taxi. We may ask You to make Your own arrangements for taxi service. If so please send Your receipts to Us and We will reimburse You.

Service providers

The garages, breakdown/recovery companies, repairers, car hire companies and other third party service providers whose services are arranged by RAC on Your behalf and/or paid for under the terms and conditions by RAC on Your behalf are not approved by RAC. They are not agents of RAC and RAC cannot be held liable for acts or omissions of such garages or other third parties. You are responsible for authorising repairs and making sure any repairs to Your Bike are carried out to Your satisfaction.

Bike insurance

RAC Breakdown Cover is not Bike vehicle insurance. Please refer to the section of Your Bennetts Bike Insurance Policy relating to Continental Use.

SERVICE IN THE TERRITORY ONLY

Availability of service in Eastern Europe

Every effort is made by RAC to make sure that a good quality service is provided in Eastern European countries but this may not necessarily be to the same standards as in Western Europe. The situation varies from country to country but time delays may occur, telephones are sometimes not available, garage facilities may be inadequate, spare parts are often not available, etc. You should also be aware that unleaded fuel may not be widely available.

Service in certain countries may become disrupted or unavailable due to prevailing conditions, for which RAC cannot accept liability. Information can be obtained from the Foreign & Commonwealth Office – www.fco.gov.uk; or by telephoning The FCO Travel Advice Unit on: 0845 850 2829.

Important self-drive hire car information

Self-drive car hire arranged under Your cover will be subject to the normal conditions of the hiring company. These will include limitations on driver age, driving convictions and other licence endorsements etc. The driver must also have held a full UK car driving licence or equivalent for a minimum of one year (two years for France).

Your credit card details will also be required as security for the hire and to cover extras such as top up of the fuel tank when returning the vehicle. Car hire companies insist on having credit card details at the time of booking and the card must be produced at the time of hiring the car. The name on the credit card and the name of the driver of the hire vehicle must be the same. Switch cards and debit cards are not acceptable. If You leave a hire car at a different location to the one arranged by the RAC control centre You must pay any collection charge which may be made.

Please note that many car hire companies across Europe charge a damage excess which is not covered by the collision damage waiver (CDW). This means that if the car is damaged during the hire period You could be liable for the equivalent of the first £150 – £550 (approximately) and have Your credit card charged. In some cases the amount could be higher and varies according to hire company, category of hire car and location. The CDW covers the amount above the excess.

In some parts of Europe hire cars are not allowed to cross national borders. In Greece and Eastern Europe international drop-offs are not permitted. It may be necessary therefore to arrange two hires or alternative transport to complete Your journey. A car hired abroad must not be brought into the United Kingdom. A second car hire will be arranged for the United Kingdom part of Your journey.

We cannot guarantee a hire car will be available. We cannot arrange the hire of motorised caravans, motorcycles, convertibles or vehicles with tow bar, roof rack, roof boxes, automatic gearbox, sports cars, 4x4 or luxury class vehicles and cannot guarantee the hire of minibuses or vans.

We will not be responsible for any delays in obtaining a hired car and cannot guarantee to provide it in time to connect with Your pre-booked ferry, etc.

You may have to collect a hired car from the nearest available place of supply.

Repayment of credit

You must pay back to Us on demand:

1. any costs We have paid for which You are not covered under Your Policy
2. the cost of any spare parts supplied.

Spares dispatch

After You have asked the appropriate RAC control centre to dispatch parts You are responsible for paying for them in full, even if You later obtain them locally.

We will arrange to dispatch parts as quickly as possible but delays will occur at weekends and bank holidays. We will not be responsible for manufacturers' or suppliers' errors, loss or damage of parts in transit or any delay in delivery.

Policy exclusions (service in the UK and abroad)

In addition to any limits and exclusions noted elsewhere in this Policy, We will not cover:

1. Costs for anything which was not caused by the incident You are claiming for

9. The cost of a locksmith if You lose, break, or lock Your keys in Your Bike. If We are unable to retrieve the keys from Your Bike for any reason, We will arrange for a locksmith to attend where available, but You will be responsible for the costs. If a locksmith is not available, We will arrange for Your Bike to be taken to a nearby garage for assistance but You will have to pay for any work carried out on the Bike. Any other Recovery may be arranged but You will be liable for any additional costs.

16. The cost of any transportation, accommodation or care of any animal. Any onward transportation is at Our discretion and solely at Your risk. We will not insure any animal during any onward transportation We may undertake
17. Any period outside Your Period of Cover
18. Any Bike that does not conform to the following specification:
 - a) maximum legal laden weight of 3,500kg (3.5 tonnes). This weight is called the Gross Vehicle Mass (GVM);
 - b) maximum overall dimensions of: length 5.5m; height 3m; width 2.25m (all including any load carried).

The Vehicle restrictions apply equally to trailers except that the maximum length of trailers must not exceed 7.6m. If the Bike which has suffered a Breakdown is towing a trailer and We provide recovery, the trailer will be recovered together with the Bike to a single destination. Other than as set out above trailers are not covered under this Policy If the Bike requires repatriation We will arrange for repatriation of the trailer as well.
19. Bikes under 121cc for European Cover
20. Any Claim by You unless You are Resident of the United Kingdom and the Bike is registered with the DVLA in Swansea or Northern Ireland

21. Any Bike which is not in roadworthy and good mechanical condition at least 7 days before any booked trip to Europe within Your Period of Cover. You must also make sure it is serviced as the manufacturer recommends
22. Any Bike carrying more persons than recommended by the manufacturer, up to a maximum of 3 persons (including the rider).
23. Your Bike if it is unattended
24. Any personal effects, valuables or luggage left in Your Bike or in any trailer or any other item being towed by or used in conjunction with the Bike. These are Your responsibility

26. Any costs which are not directly covered by the terms and conditions of this Policy
27. Bikes which were broken down or unroadworthy at the start of this Policy
28. It is a legal requirement that Bikes used or recovered with their wheels in contact with the public highway must have a valid current excise license (tax disc). Where no current excise license (tax disc) is displayed We will attempt to fix Your Bike at the roadside but will not provide any other service or benefit. This does not apply to those vehicles exempt under Section 5 of the Vehicle Excise and Registration Act 1994, which includes certain types of vehicles including certain old vehicles, agricultural vehicles and emergency vehicles. For further information please contact DVLA at www.dvla.gov.uk/
29. The costs of any parts provided by RAC to fix Your Bike at the roadside must be paid in full by credit/debit card at time of Breakdown before work can commence.
