

SOFTWARE ENGINEER

MULTIPLE POSITIONS AVAILABLE

LOCATION
PETERBOROUGH, UK

THE OPPORTUNITY

Bennetts are creating a new technology hub to build awesome software for our group of companies. This is a fresh technology start for us and while Bennetts have 90 years of experience in the motorcycle market, we're really thinking like a start-up tech company. This is an opportunity to continue your awesome progression in software development working at the leading edge of technology. Working within a diverse, highly skilled, and agile development team, you will be given the responsibility to develop and enhance Bennetts' web applications that help drive the business and deliver real value to Bennetts' customers and the motorcycling industry.

Bennetts are looking for a Software Engineer who is:

- Up to date with the latest development techniques, security, and agile processes
- Passionate about high quality code, with a desire to break things and fix fast
- Comfortable working in a highly collaborative and fast paced CI/CD environment
- A great communicator, both technically and non-technically

Our tech stack is constantly evolving but is generally .NET based, so if you have experience with .Net Core, Azure, docker and principles such as CI/CD then even better! You will be given the opportunity to work across our entire tech stack, and any necessary training will be given.

WHAT BENNETTS CAN DO FOR YOU

Along with the opportunity to work with a great technology set and all the tools you need, you'll benefit from:

- 25 days of annual leave for full-time colleagues plus Bank Holidays
- A flexible approach to how and where you work your hours – helping you to achieve a work/life balance that works for you
- We also offer pension & life assurance, private medical cover, along with a strong focus on your own personal development, gym subsidy and cycle to work scheme.

All Bennetts developers are given the tools to help them succeed in their role and develop their skills. These benefits vary over time but include things such as MSDN subscription with Azure credit, Redgate tools subscription, Udemy For Business subscription.

ABOUT BENNETTS

Bennetts is a brand that refuses to stand still and become stagnant, constantly pushing itself so that its customers can get more from motorcycling. Having celebrated its 90th birthday in 2020, Bennetts has an unrivalled wealth of experience and is one of the UK's leading motorcycle, classic motorcycle and travel insurance specialists and provides cover for over 200,000 riders. Bennetts further sets itself apart from the competition with its unique membership proposition – BikeSocial. Free to riders who insure direct through Bennetts or available as a 12-month subscription.

We are also the proud and longest running title sponsor of the Bennetts British Superbike championship and a loyal personal sponsor of Isle of Mann legend, John McGuinness.
