REPORTING AN INCIDENT

If **you** have been involved in an accident, or **your bike** has been stolen or damaged, **you** can call **our** helpline, 24 hours a day, on **0330 018 9166**.

We appreciate experiencing an accident or **theft** can be both distressing and inconvenient; **our** specialist teams are in place to guide you through the process. **We** will capture the information while **you** are on the phone and provide **you** with support and advice in respect of the next steps.

Help us help you

After a road accident **you** should, where possible, do the following:

- call **our** helpline to report the details on **0330 018 9166**
- obtain details of any third parties involved
- obtain witness information
- go to the hospital or **your** GP if **you** are injured.

Do not:

- admit or discuss responsibility with anyone involved in the road accident
- contact the other parties' insurance brokers or **insurers**
- allow the other person to repair **your bike**.

For more information on how to make a claim please refer to Section 8 "Making a claim".

INFORMATION YOU GIVE US

You are required by the provisions of the Consumer Insurance (Disclosure and Representations) Act 2012 to take care to supply accurate and complete answers to all the questions in the application form and to make sure that all information supplied to **us** is true and correct.

This also applies when **we** contact **you** at the renewal of **your policy**, or if **you** wish to make any changes to **your policy** during the **period of insurance**. **You** must tell **us** of any changes to the answers **you** have given as soon as possible. Failure to advise **us** of a change to **your** answers may mean that **your policy** is invalid and that it does not operate in the event of a claim.

If **you** do not answer questions truthfully and accurately, then this may affect **your policy** cover. In the event that **you** have supplied **us** with information which is deliberately incorrect or false the **insurer** reserves the right to declare **your policy** invalid and void **your** cover, with no refund of premium. In the event that **you** have made a claim, the **insurer** will not be liable to make any payment and may seek to recover sums paid to **you** or on **your** behalf in respect of any earlier claim under the **policy**.

This policy is for private individuals only and does not provide any cover for bikes used or kept in relation to commercial purposes.

The person described as the **policyholder** on the **certificate of motor insurance**.

CONTRACT AND USE

Law Applicable to Contract

You and the **insurer** can choose the law which applies to this **policy**. The **insurer** proposes that English Law applies. Unless the **insurer** and **you** agree otherwise English Law will apply. **Bennetts**, on behalf of the **insurer**, will provide the terms and conditions of this **policy** for the **period of insurance**, and any subsequent communication between **you** and **Bennetts**, whether verbal or written, in the English language.

The Insurer's Contract with You

This document gives details of **your** cover and it should be read along with **your statement of fact, policy schedule** and **certificate of motor insurance**. Please take time to read through these documents which contain important information about the details **you** have given. **You** should also show **your policy** to anyone else who is covered under it. For this contract to be valid, all the information that **you** have given to **Bennetts** must be true and complete to the best of **your** knowledge and belief. If **you** do not do so then **your** insurance may not protect **you** in the event of a claim. You are required to update **Bennetts** with any changes to the information on the **statement of fact**.

In return for **your** premium, the **insurer** will provide the cover shown in **your policy** for accident, injury, loss or damage that happens within the **territorial limits** during the **period of insurance**. The parties to this contract are **you** and the **insurer**. Nothing in this contract shall create any rights to third parties under the Contracts (Rights of Third Parties) Act 1999 and no variation of this contract, nor any supplemental or ancillary agreement, shall create any such rights unless expressly so stated. This does not affect any right or remedy of a third party which exists or is available apart from this Act.

Policy Cover

If the cover shown in the **policy schedule** is:

- **Comprehensive** - Sections 1 to 7 inclusive apply.
- **Third Party Fire and Theft** - Section 1 applies only in respect of loss or damage caused directly by **fire** or **theft**. Sections 2, 3, 4, 5, 6 and 7 apply.

Sections 8 & 9 apply to all covers.

Use

The insurance only covers **your bike** if it is being used in the way specified on **your certificate of motor insurance** and/or by any **endorsements**.

This **policy** is for private individuals only and does not provide any cover for **bikes** kept in relation to commercial purposes.

Commuting use, if present on **your policy**, provides cover when traveling to a single and permanent place of work.

The following uses are not covered:

- dispatch, courier and messenger services, or food delivery
- racing, pace making or being in any contest or speed trial (road safety rallies and treasure hunts will be covered)
- riding on any race track or circuit or de-restricted toll roads or the Nürburgring Nordschleife

- hiring – letting out **your bike** for a sum of money.

MODIFICATIONS AND ACCESSORIES

Modifications are any changes made to the specification of **your bike** from new, over and above production specification, and enhance performance and/or value. Removable accessories like tank bags or satellite navigation systems are not covered.

Disclosure of Modifications

It is important to declare any **modifications** not accepted as standard. If **you** have an accident or **your bike** is stolen, **you** need to ensure your **modifications** are covered under **your policy** or there is a potential risk that the **claim** will be repudiated if non-disclosure is identified.

What you need to disclose

- Any changes made to the specification of **your bike** since it was produced and are not described above. For the avoidance of doubt this includes any changes that a dealership or any previous owners have made to **your bike** from new, over and above standard production specification.
- **You** will need to tell **us** if **your bike** has any **modifications** or if you are looking to add any **modifications** to **your bike** during the **period of insurance**, unless the **modification** is accepted as standard (please see the list below).

Bennetts accept the following **modifications** as standard – **you** do not need to tell **us** about them:

- | | | |

These include, but are not limited to, tyres (as long as these meet the correct speed ratings for **your bike**), chain and sprockets (as long as the gear ratios remain the same), bulbs, and engine oil, like-for-like replacement parts, i.e. changed as a result of wear and tear or damage.

Modification reinstatement

Your insurer will provide full reinstatement to **market value** of any **modifications** that are declared to **us** and accepted by **us**. This cover applies for **policyholders** with Comprehensive insurance cover and for **policyholders** that have Third Party Fire and Theft insurance cover who need to make a claim for **fire** or **theft**.

SECTION 1

LOSS OR DAMAGE

Loss or damage to your bike

Subject to the exceptions set out below and to the general exceptions and general conditions contained in the **policy**, if **your bike** is stolen, damaged or destroyed, the **insurer** will, either:

- pay for **your bike** to be repaired

- or replace **your bike**
- or pay the amount of the loss or damage.

The most the insurer will pay

The most the **insurer** will pay is **your bike's UK market value** at the time of a claim. If the insurance premium has been calculated based on the declared value of **your bike**, but its **market value** at the time of a claim is higher, then the **insurer** will deduct any extra premium required from the cost of the claim.

Where an agreed value applies, we will offer a claim settlement based on the last valuation we agreed, not the value of your vehicle at the time of the claim.

If **your bike** is subject to a hire purchase, leasing or credit sale agreement, any payment may at the **insurers'** discretion be made to the owner described in that agreement and such payment will fulfil the **insurer's** obligation to make any payment under this **policy**. If you owe less than the proceeds of your claim, we will pay you the difference.

Agreed Value

This cover is only applicable if the **Policy Schedule** shows that Agreed Value is included and has been validated by **us**.

The most the **insurer** will pay at the time of a claim is the agreed value of **your bike**, which has been validated by **us** and agreed with **you**, providing **we** have received the following within 28 days of either the start of this **policy** or the date **your bike** was added to this **policy**;

a copy of the vehicle registration document (V5C) for **your bike**,

a completed agreed value request form, colour photos showing the frame number of **your bike**, the registration number of **your bike**, the condition of **your bike** and all **modifications** and **accessories** fitted to **your bike**.

If **we** have not received acceptable evidence to validate the agreed value of **your bike**, then the most the **insurer** will pay at the time of a claim is the **UK market value** of **your bike**.

You will have to pay the applicable **excess** for any claim under this section. If your bike is the subject of a total loss claim and you retain the salvage this endorsement will no longer apply.

To reinstate this agreed value endorsement you will have to resubmit the above mentioned documentation along with proof of repair.

Accident Recovery

If **your bike** is disabled through loss or damage insured under this **policy** the **insurer** will pay:

- the reasonable cost of protection and removal to the nearest repairers
- the reasonable cost of delivery to **you** after repair but not exceeding the reasonable cost of transporting **your bike** to **your** address within the **territorial limits**.

New Bike Replacement

The **insurer** may replace **your bike** with a new **bike** of the same make and specification (subject to availability) if, within 6 months of registration:

- any repair cost or damage covered by the **policy** exceeds 70% of its list price (including VAT) at the time of purchase
- or **your bike** is stolen and not recovered.

Replacement is subject to:

- **you** being the first and only registered owner of **your bike**
- the agreement of any interested hire purchase company.

Uninsured Driver Promise

We will not reduce **your** No Claim Discount under this **policy** for any claim **we** accept as caused by an uninsured driver. To obtain this benefit **you** will need to provide:

- the vehicle registration number, make and model of the uninsured vehicle;
- the driver's details;

- the names and addresses of any independent witnesses, if available.

Until **we** have confirmed that **you** have a valid claim under this section of **your policy**, **you** will have to pay **your policy excess**, and if **your policy** is due for renewal, **you** will temporarily lose **your** No Claim Discount. Once **we** have confirmed that **you** have a valid uninsured driver claim **we** will refund any **excess** paid and restore **your** No Claim Discount. This cover is for comprehensive customers only. This cover excludes uninsured riders of **your bike**.

Replacement Lock and Keys

Your insurer will pay up to £400 towards the cost of any necessary replacement of the ignition key and transponders, ignition, steering locks, seat locks and side panel locks for **your bike** if the keys are lost or stolen and have not been recovered.

This cover applies:

- for policyholders with Comprehensive cover only;
- if care is taken to safeguard the keys from loss and where the keys were not left in, on or within close proximity to **your bike** whilst it was unattended;
- providing **you** notify the police as soon as is reasonably possible after discovery of the loss or **theft** and **you** provide the police incident reference number; and
- if it is likely that the address where **your bike** is kept would be known to the person(s) in possession of **your** keys or lock transponder.

You will not have to pay an **excess** for any claim under this section.

Salvage Retention

In the event of a claim that results in your vehicle being classed as a **Write Off** (total loss), **your bike** will be given a salvage category in line with the ABI Code of Practice.

If **your bike** is deemed eligible to go back on the road, **we** will endeavour to give **you** the option to retain the salvage if it is safe to do so. If retention of **your bike** is approved, the value of the salvage, as determined by **your insurer**, will be deducted from any settlement due. If your bike the subject of a finance agreement and there are insufficient funds remaining from any settlement due to the finance company then you will be required to pay the balance due for the salvage prior to retaining ownership. Retaining salvage does not guarantee that your insurer will be willing to continue to insure your bike.

In the event of the salvaged bike being subject to another claim, documented evidence of repairs and other documentation will be required to evidence, and to satisfy **us**, that **your bike** has been maintained in a roadworthy condition. If the correct documentation is not provided at the time of the loss, the valuation will be affected.

Show & Events cover

This cover is only applicable if shown as included on the **Policy Schedule**.

This **policy** covers **you** to use **your bike** in connection with club rallies, shows and events providing there is no racing, pace-making, speed-testing or time trials involved, no riding on any track or circuit or derestricted toll roads or on the Nurburgring Nordschleife and **your bike** is not used for hire and reward. This cover does not entitle anyone other than those named on the certificate of insurance to ride **your bike**.

Care should always be taken to ensure **your bike** is kept safe and secure. **You** will have to pay the applicable **excess** for any claim under this section.

Exceptions to Section 1 of Your Policy

- loss of use, wear and tear, depreciation, deterioration
- mechanical, electrical, electronic, computer failures or breakdowns or breakages
- damage to tyres caused by braking or by punctures, cuts or bursts

SECTION 4

EMERGENCY TREATMENT

The **insurer** will reimburse any person using any **bike** which is covered under this **policy** for payments made under the Road Traffic Act for emergency treatment. A payment under this section will not prejudice **your** no claims discount.

SECTION 5

FOREIGN USE

Foreign use/compulsory insurance requirements

What is covered under this section?

The **insurer** will cover **your** legal liability to others while **you** or any rider noted on the **certificate of motor insurance** is using **your bike** within the European Union and any other country which has agreed to follow the EU Motor Insurance Directive (number 2009/103/EC).

You do not need an International Motor Insurance Card (Green Card) for visits to these countries as the legal evidence of this cover is shown on the reverse of **your certificate of motor insurance**.

Further information on the countries that follow the above EU Directive can be found by visiting www.mib.org.uk.

The **insurer** will also provide the cover shown on your **policy** schedule for up to 90 days in any **period of insurance** while **you** are using **your bike** within the countries referred to on **your certificate of motor insurance**.

The **insurer** will also pay customs duty if **your bike** is damaged and the **insurer** decides not to return it after a valid claim on the **policy**.

Cover also applies while **your bike** is being carried between sea or air ports or railway stations within these countries, as long as this travel is by a recognised sea, air or rail route.

Cover only applies where **your bike** is taxed and registered within the **UK** and **your** main permanent home is within the **UK**.

What is NOT covered under this section?

If **your certificate of motor insurance** allows **you** to ride any other **bike**, that cover does not apply outside of the **territorial limits**.

SECTION 6

NO CLAIMS DISCOUNT

If **you** do not make a claim during the **period of insurance**, the **insurer** will increase **your** no claims discount (NCD) in line with the scale shown below.

No claims discount scale

Current years NCD	Your NCD years at renewal if no fault claims	Your NCD years at renewal if one fault claim	Your NCD years at renewal if two fault claims	Your NCD years at renewal if more than two fault claims
0	1	0	0	0
1	2	0	0	0
2	3	0	0	0
3	4	1	0	0
4	5	2	0	0
5	6	3	1	0
6	7	3	1	0
7	8	3	1	0
8	9	3	1	0
9	9	3	1	0

If **you** do make a claim during the **period of insurance**, **your** no claims discount will be reduced at the next renewal date in accordance with the scale shown above. The following will not affect **your** no claims discount:

- payments made under Emergency treatment (Section 4) of this **policy** document
- claims where **you** were not at fault, as long as the **insurer** has recovered all that the **insurer** has paid from those who were responsible.

Your no claims discount cannot be transferred to another person or used on more than one **policy** at the same time.

You should note any change in the level of **your** no claims discount is no guarantee that **your** premium will not rise.

No Claims Discount Protection

Where **you** have paid an additional premium to protect **your** no claims discount and this is shown in the **policy schedule**, this means that provided that **you** have no more than 2 claims in any 5 year period, **your** entitlement to a no claims discount will be unchanged and **your** no claims discount will not be reduced in accordance with the scale shown above. - limits on acceptable endorsements types or numbers of motoring offence penalties and/or penalty points endorsed on **your** driving licence
- the need to provide a valid credit card number (alternatively, the car rental provider will require a deposit of no less than £50 and may also undertake a simple credit check, before releasing the vehicle to **you**).

Hire cars are not usually available with a tow bar, and therefore **your** trailer will, if eligible, be recovered under the Recovery benefit with **your broken down bike**.

After taking a fair and reasonable view of the circumstances **RAC** may decide that a hire car is not a practicable solution and hotel accommodation or alternative transport will be provided instead.

If **you** require a second or any other type of vehicle **RAC** will try to arrange this for **you** but **you** will have to pay for any additional costs.

Alternative Transport

RAC will reimburse **you** for standard class rail or other transport of **RAC's** choice for up to 3 people to reach the end of their journey within the **UK**. **RAC** will pay up to £150 per person.

Hotel Accommodation

RAC will arrange and reimburse **you** for one night's bed and breakfast for up to 3 people in a hotel of **RAC's** choice. **RAC** will pay up to £150 per person. **You** will have to pay for any extra hotel or transport costs.

Special medical assistance

Onward Travel also provides special medical assistance. If **you** or one of **your** passengers is taken into hospital more than 20 miles from **home**, **RAC** will arrange and pay for overnight accommodation for the other passengers, as described in 'Hotel Accommodation' above.

RAC will also arrange for an ambulance to take the patient to a local hospital near to their **home** once medical permission has been given. Special medical assistance is not available for planned hospital visits.

Onward Travel does not cover:

- other charges arising from **your** use of the hire car benefit, such as fuel costs, deposit, any insurance excess charges, collecting and returning the hire car and any costs due to **you** keeping the car after the agreed period of hire (**you** must settle these charges directly with the supplier)
- if **you** are unfortunate enough to have an incident with the hire car and **you** make an insurance **claim**, **you** will be responsible for paying any excess
- service within 24 hours of commencement of this **RAC policy**

- **breakdowns** in the **UK** resulting from road traffic **accidents**, vandalism, fire or theft
- any of the Onward Travel benefits, as stated above, before **RAC** attendance of the **breakdown** incident
- any of the Onward Travel benefits, as stated above, if the **bike** is not covered by a valid current excise licence.

In addition **RAC** will pay towards the cost of a replacement vehicle including collision damage waiver and replacement Green Card as necessary, to complete the planned **journey** if **RAC** confirms **your bike** cannot be repaired within 24 hours. This is subject to a maximum contribution of £750.

Service whilst abroad

You are covered for any number of trips, each up to 90 days in duration but not for longer stays and provided the outward and return **journeys** are completed in the **period of cover**.

Required terms

To ensure **RAC** can provide the services contained within the European cover section, **you** will need to make sure that **you** have the following original documents with **you** when **you** are on a **journey**. If **you** do not have these documents **RAC** may not be able to provide assistance:

- credit card* (required if **you** need to take advantage of any vehicle hire benefit, purchase any replacement parts or receive additional services from the **RAC**)
- full UK driving licence (photo card, if held) and National Insurance number
- proof of **your RAC policy** (such as **your documents**)
- vehicle registration document (V5) or Vehicle on Hire Certificate (VE103) and letter of authority to use the **bike** on the **journey**.

*In some circumstances a Visa or Mastercard debit card with raised numbers and sufficient available funds may be accepted, however, this cannot be guaranteed.

Roadside Assistance

In the event of a **breakdown** **RAC** will pay for the following subject to the limitations for each section as described in the following terms and conditions.

RAC will pay for:

- attendance of local **breakdown** or garage services to repair the **bike** at the roadside if possible; or
- tow of the **bike** from the place of **breakdown** or **accident** to the nearest local repairer where **you** may arrange repairs and either:
 - a) a contribution towards labour charges at a garage if it is possible to effect the repairs necessary to enable the **bike** to continue the **journey** on the date of **breakdown**; or
 - b) inspection fees, in the event of a **breakdown**, to confirm that the **bike** cannot be repaired by **your** return travel date and **your** request for assistance will include authorisation for **RAC** to arrange this; and
 - c) storage charges for the **bike** while awaiting repair or repatriation; and
 - d) the cost of wheel changes but not for replacement tyres.

RAC will not pay for:

- any labour costs other than those incurred at the roadside. **RAC** will not pay labour costs at any garage to which the **bike** is taken other than under paragraph numbered 2 above; or
- repair costs, including labour, if the **bike** was in a road traffic **accident**, damaged by fire or stolen or is in **RAC's** opinion uneconomical to repair or
- the cost of parts used for roadside or garage repairs; or
- the cost of any repairs not directly necessary to enable the **bike** to continue the **journey** on the date of the **breakdown**; or
- the cost of any other supplies, including but not limited to **specialist equipment**.

If the appropriate **RAC** control centre can confirm repairs to the **bike** will take more than 12 hours of being notified of a **breakdown**, or if it is to be repatriated to the **UK**, then **RAC** will pay for either:

- Additional accommodation expenses

RAC will pay up to £30 per person per day towards necessary additional (not alternative) accommodation expenses (room only) while **you** wait for **your bike** to be repaired, providing the appropriate **RAC** control centre can confirm repairs will take more than 12 hours, or if it is to be repatriated to the **UK**.

RAC will not pay for the costs of meals and any other costs that are not specified above.

Or

- **Journey** continuation or return **home**

If the appropriate **RAC** control centre can confirm repairs to **your bike** will take more than 12 hours, or if **your bike** is to be repatriated to the **UK**, a contribution to travel expenses to allow **you** to either:

- a) continue the planned **journey** during the period **your bike** is not roadworthy
- b) return **home** by direct route.

Expenses can comprise of a replacement vehicle for up to 14 days per **European claim**, including collision damage waiver (see "Important replacement vehicle information") and replacement Green Card as necessary, or second/standard class rail, or a combination of both.

RAC will in **their** reasonable discretion decide which course of action to adopt, but **RAC** will take into consideration **your** preference.

You must collect the **bike** when repaired as once the **bike** is repaired and **you** have been notified, **RAC** will not pay any further expenses other than the costs of collection.

This benefit is also available if **your bike** is stolen and not recovered within 24 hours of reporting the matter to the police. A police report must be obtained. However, this benefit will cease if **your bike** is recovered in a roadworthy condition.

RAC will not pay for:

- fuel, oil, personal insurance, any collection charge if a replacement vehicle is left at a different location to that arranged or any other costs in connection with the replacement vehicle
- the cost of any replacement vehicle beyond the period agreed with the appropriate **RAC** control centre
- any replacement vehicle expenses after **your bike** is repaired except for the direct **journey** to return and collect it
- first class rail fares
- any costs under this benefit if they are for a service **you** used at the same time as the section "Additional accommodation expenses"
- international drop charges where a replacement vehicle hired from abroad is dropped within the **UK**
- the costs of hiring a motorcycle
- any hire costs not arranged through **RAC** or agreed by **RAC**.

You are entitled to either of the following services:

You will have the following cover if **RAC** can confirm that repairs cannot be completed by **your** planned return date to the **UK** and providing the cost of repatriation is not uneconomical. (Repatriation will be uneconomical if it will cost more than the **UK** market value of **your bike** according to the Glass's guide or other appropriate industry standard used by **RAC**)

Cover is available for either:

- **Bike** repatriation

RAC will pay for the cost of taking the **bike** by road transporter from abroad to **your home** or chosen **UK** repairer for repair.

RAC will also pay the costs of packing and freighting **your** baggage if the **bike** is declared a 'Write-off' by Bennetts.

When repatriation is authorised it normally takes 10–14 working days for delivery to a **UK** address from most west European countries. At busy times and from east European countries it may take longer.

RAC will not pay for:

- a) **claims** for any repatriation not authorised by the appropriate **RAC** control centre
- b) the cost of repatriation if this is uneconomical. Repatriation will be uneconomical if it will cost more than the **UK** market value of **your bike** according to Glass's guide
- c) the cost of repatriation if **your bike** is roadworthy
- d) any **European claim** if **your bike** is being repatriated and Customs in any country find its contents are breaking the law
- e) any further costs in connection with the **bike** once declared a write-off.

Or

- Collection of **bike** from **Europe**

RAC will pay the following costs up to £600 for one person to collect **your bike**, repaired abroad after a **breakdown**:

- a) standard/second class rail fare plus other public transport fares which are necessary to reach the place of collection
- b) additional homeward cross channel ferry or rail fare for the repaired **bike** (calculated by taking the actual fare less the value of any unused homeward portion of **your** original cross channel ticket)
- c) up to £30 per night for single room hotel accommodation necessary to complete the round trip (limited to room only).

RAC will not pay for:

- first class rail fares
- the cost of any meals
- the costs of more than one person.

Note: The appropriate **RAC** control centre will, after taking a fair and reasonable view, decide whether **your bike** should be repaired abroad for **you** (or someone nominated by **you**) to return and collect.

Authority for repatriation or repair

If **your bike** is not able to be ridden due to a road traffic **accident**, fire or theft, any damage which **you** are entitled to have repaired by Bennetts must be reported to them immediately.

Bennetts must decide whether to declare the **bike** as a write-off, authorise repair abroad or have the **bike** repatriated. **RAC** cannot repatriate the **bike** unless Bennetts first give their permission.

RAC also reserve the right to negotiate with them to reclaim costs incurred. If Bennetts cannot or do not give permission to repatriate then it is **RAC** decision alone whether to declare the **bike** a write-off, or repatriate or repair locally a **bike** which cannot be ridden as a result of a **breakdown**, or as a result of road traffic **accident**, fire or theft, for which **you** do not have fully comprehensive cover.

Additional services

RAC will pay for the costs of providing the following if applicable:

Spare parts dispatch

If as a result of a **breakdown** **your bike** needs parts but these are unavailable locally **RAC** will pay for:

- freight, handling and ancillary charges for dispatch of spare parts not obtainable locally
- the fare for one person to collect parts from the appropriate railway station or airport.

RAC will not pay for:

The cost of parts themselves, which must be paid on receipt. When telephoning the **RAC** control centre **you** will be asked for **your** credit card details. Alternatively **you** will be asked to pay for the part(s) direct to the repairer.

Accidental damage to or loss of tent

RAC will pay:

A contribution to accommodation expenses of up to £30 per person per day if during the **period of cover you** are camping and **your** tent is damaged accidentally making it unusable, or it is stolen.

Alternatively, **RAC** may authorise the cost of a replacement tent. If **your** tent is stolen **you** must report the theft to the police within 24 hours and obtain a written report.

RAC will not pay for:

- the cost of meals or any other costs that are not specified above caused by weather conditions
- the cost of a replacement tent not authorised by **RAC**
- any costs if **your** tent was stolen and **you** do not report the theft to the police within 24 hours and obtain a written report.

Urgent message relay service

RAC will pay for:

The cost of relaying urgent messages from the appropriate **RAC** control centre to **your** immediate relatives or close business associates if the **bike** cannot be ridden because of **breakdown, accident** or fire or it is stolen.

RAC will not pay for:

- the cost of non-urgent messages or messages to persons not described in the previous paragraph
- the cost of relaying any urgent message not arranged through the appropriate **RAC** control centre.

Customs claims indemnity

RAC will pay for Continental or Irish Customs claims for duty if:

- the **bike** is beyond economic repair as a result of fire or theft abroad during the **journey** and it has to be disposed of abroad under Customs supervision; or
- it is stolen abroad during the **journey** and not recovered. **RAC** will deal with necessary Customs formalities.

To arrange, please call: RAC European Support, 0330 159 0342 (Calls may be recorded and/or monitored) Monday – Friday 9am – 5pm.

RAC will not pay any import duties not relating to the **bike**. Please note:

- **you** may only make one **European claim** per **journey** and **you** may make a maximum of two **European claims** per year
- there is an overall limit of £2500 per **European claim** applied to the European cover section of this **RAC policy**.

RAC Policy Requirements and Limitations (Service in the UK and abroad)

Credit card details

RAC will require **your** credit card details if **they** arrange a service for **you** which is not covered by the **RAC policy** or if it exceeds the limits set out in the part(s) entitled “Terms and Conditions”. If **you** do not provide **RAC** with **your** credit card details **RAC** will not be able to provide certain services which will be notified to **you** when credit card details are requested.

In some circumstances a Visa or Mastercard debit card with raised numbers and sufficient available funds may be accepted, however, this cannot be guaranteed.

Motorcycles

It is not possible for **RAC** to hire a motorcycle if a replacement vehicle is required. A replacement vehicle or alternative transport will be arranged, whichever is most suitable. **RAC** are also unable to hire a trailer for **you** to transport **your bike**.

Trailers

The **bike** restrictions in this **RAC policy** apply equally to trailers except that the maximum length of trailers must not exceed 7.6m. If the **bike** which has suffered a **breakdown** is towing a trailer and **RAC** provide Recovery, the trailer will be recovered together with the **bike** to a single destination. Other than as set out in this paragraph trailers are not covered by this **RAC policy**.

RAC do **their** best to find solutions to motoring problems, but **they** regret that **they** cannot arrange a replacement trailer in the event of **breakdown** or **accident** damage which cannot be repaired. It is also virtually impossible to replacement vehicles with tow bars and it may become necessary to repatriate a trailer together with a towing vehicle which cannot be repaired abroad by the return date.

Unforeseeable losses or events

Except in relation to any claim **you** may have for death or personal injury, if **RAC** are in breach of the arrangements under this contract, **RAC** will not be liable for any losses or damages which are not a reasonably foreseeable result of any such breach, for example, loss of profit, loss of revenue or anticipated savings, loss of contacts, or for any business losses.

RAC do not guarantee the provision of any of the benefits under **your RAC policy**, if there is anything beyond **RAC's** reasonable control or the reasonable control of any service provider which prevents **RAC** or a service provider from providing that benefit. Benefits may be refused if **you** or any of **your party** behaves in a threatening or abusive way to any persons providing service under this **RAC policy**.

Taxi bookings

In some circumstances it can be quicker and easier for **you** to arrange a taxi. **RAC** may ask **you** to make **your** own arrangements for taxi service. If so please send **your** receipts to **RAC** and **they** will reimburse **you**.

Service providers

The garages, breakdown/recovery companies, repairers, car hire companies and other third party service providers whose services are arranged by **RAC** on **your** behalf and/or paid for under the terms and conditions by **RAC** on **your** behalf are not approved by **RAC**. They are not agents of **RAC** and **RAC** cannot be held liable for acts or omissions of such garages or other third parties. **You** are responsible for authorising repairs and making sure any repairs to **your bike** are carried out to **your** satisfaction.

Availability of service in Eastern Europe

Every effort is made by **RAC** to make sure that a good quality service is provided in Eastern European countries but this may not necessarily be to the same standards as in Western **Europe**. The situation varies from country to country but time delays may occur, telephones are sometimes not available, garage facilities may be inadequate, spare parts are often not available, etc. **You** should also be aware that unleaded fuel may not be widely available.

Service in certain countries may become disrupted or unavailable due to prevailing conditions, for which **RAC** cannot accept liability. Information can be obtained from the Foreign & Commonwealth Office website at: <https://www.gov.uk/government/organisations/foreign-commonwealth-office> or email: TravelAdvicePublicEnquiries@fco.gov.uk

Important replacement vehicle information

Replacement vehicles arranged under **your** cover will be subject to the normal conditions of the hiring company. These will include limitations on driver age, driving convictions and

other licence endorsements etc. The driver must also have held a full **UK** car driving licence or equivalent for a minimum of one year (two years for France).

Your credit card details will also be required as security for the hire and to cover extras such as top up of the fuel tank when returning the vehicle. Car hire companies insist on having credit card details at the time of booking and the card must be produced at the time of hiring the replacement vehicle. The name on the credit card and the name of the driver of the replacement vehicle must be the same. Debit cards are not always accepted. If **you** leave a replacement vehicle at a different location to the one arranged by the **RAC** control centre **you** must pay any collection charge which may be made.

Please note that many car hire companies across **Europe** charge a damage excess which is not covered by the collision damage waiver (CDW). This means that if the replacement vehicle is damaged during the hire period **you** could be liable for the equivalent of the first £150 – £550 (approximately) and have **your** credit card charged. In some cases the amount could be higher and varies according to hire company, category of replacement vehicle and location. The CDW covers the amount above the excess.

In some parts of **Europe** replacement vehicles are not allowed to cross national borders. In Greece and Eastern Europe international drop-offs are not permitted. It may be necessary therefore to arrange two hires or alternative transport to complete **your journey**. A replacement vehicle hired abroad must not be brought into the **UK**. A second replacement vehicle will be arranged for the **UK** part of **your journey**.

RAC cannot guarantee a replacement vehicle will be available. **RAC** cannot arrange the hire of motorised caravans, motorcycles, convertibles or vehicles with tow bar, roof rack, roof boxes, automatic gearbox, sports cars, 4x4 or luxury class vehicles and cannot guarantee the hire of minibuses or vans.

RAC will not be responsible for any delays in obtaining a replacement vehicle and cannot guarantee to provide it in time to connect with **your** pre-booked ferry, etc.

You may have to collect a replacement vehicle from the nearest available place of supply.

Repayment of credit

You must pay back to **RAC** on demand:

- any costs **RAC** have paid for which **you** are not covered under **your RAC policy**
- the cost of any spare parts supplied.

Spares dispatch

After **you** have asked the appropriate **RAC** control centre to dispatch parts **you** are responsible for paying for them in full, even if **you** later obtain them locally.

RAC will arrange to dispatch parts as quickly as possible but delays will occur at weekends and bank holidays. **RAC** will not be responsible for manufacturers' or suppliers' errors, loss or damage of parts in transit or any delay in delivery.

RAC Policy exclusions (service in the UK and abroad)

In addition to any limits and exclusions noted elsewhere in this **RAC policy**, **RAC** will not cover:

- costs for anything which was not caused by the incident **you** are claiming for
- **bikes** which have **broken down** as a result of taking part in any motor sport event or off road activity (including, without limitation rallies) which takes place off the road and / or is not subject to the normal rules of the road. - the cost of a locksmith if **you** lose, break, or lock **your** keys in **your bike**. If **RAC** are unable to retrieve the keys from **your bike** for any reason, **RAC** will arrange for a locksmith to attend where available, but **you** will be responsible for the costs. If a locksmith is not available, **RAC** will arrange for **your bike** to be taken to a nearby garage for assistance but **you** will have to pay for any work carried out on the **bike**. Any other recovery may be arranged but **you** will be liable for any additional costs.
- any **callout** or **European claim** caused directly or indirectly by:
 - a) **your** property being held, taken, returned, destroyed or damaged under the order of any government or other authority

- any **callout** or **European claim** which **you** have made successfully under any other policy of insurance held by **you**. If the value of **your callout** or **European claim** is more than the amount **you** can get from **your** other insurance **RAC** may pay the difference subject to these **RAC policy** limits and exclusions
- the cost of any transportation, accommodation or care of any animal. Any onward transportation is at **RAC's** discretion and solely at **your** risk. **RAC** will not insure any animal during any onward transportation **they** may undertake
- any period outside **your period of cover**
- any **bike** that does not conform to the following specification:
 - a) maximum legal laden weight of 3,500kg (3.5 tonnes). This weight is called the Gross Vehicle Mass (GVM)
 - b) maximum overall dimensions of: length 5.5m; height 3m; width 2.25m (all including any load carried)

The vehicle restrictions apply equally to trailers except that the maximum length of trailers must not exceed 7.6m. If the **bike** which has suffered a **breakdown** is towing a trailer and **RAC**

provide recovery, the trailer will be recovered together with the **bike** to a single destination.

Other than as set out above trailers are not covered under this **RAC policy**. If the **bike** requires repatriation **RAC** will arrange for repatriation of the trailer as well

- any costs which are not directly covered by the terms and conditions of this **RAC policy**
- **bikes** which were **broken down** or unroadworthy at the start of this **RAC policy**
- it is a legal requirement that **bikes** used or recovered with their wheels in contact with the public highway must have a valid current excise license. Where no current excise license is in place **RAC** will attempt to fix **your bike** at the roadside but will not provide any other service or benefit. This does not apply to those vehicles exempt under Section 5 of the Vehicle Excise and Registration Act 1994, which includes certain types of vehicles including certain old vehicles, agricultural vehicles and emergency vehicles. For further information please contact DVLA at www.dvla.gov.uk/
- the costs of any parts provided by **RAC** to fix **your bike** at the roadside must be paid in full by credit/debit card at time of **breakdown** before work can commence.

European claims procedure and conditions

When providing assistance **RAC** make every effort to arrange on **your** behalf all costs within the limits set out in this document. However, in some instances **you** may be asked to pay locally and reclaim costs on **your** return to the **UK**.
