LEADING THE WAY IN MOTORCYCLE INSURANCE

As the market leader in providing motorcycle insurance, we're passionate about bikes and the needs of riders.

Our core business is bike insurance, but we've also built the fastest growing (and award winning) biking site – Bike Social. We pride ourselves on being different, innovative and ambitious and we are looking for individuals who will thrive in this environment.

Bennetts is one of several companies within the Saga Group. This means that whilst we are very much our own business, we also enjoy the benefits and support of being part of a wider group.

We believe that giving you the chance to learn new skills, grow your knowledge and share your experience will help us to achieve both our business and your personal goals. And it's the way that we work as individuals and as a team that has led to our success.

Join us for the ride.

OUR PRINCIPLES

WE SHAPE OUR FUTURE

We're champions of our own destiny, creating opportunities for our customers, our business and ourselves.

WE'RE BETTER TOGETHER

We plan, collaborate and deliver together. Individually we're awesome but together we're "Team Bennetts".

WE LISTEN, LEARN AND ACT

We're alert to what is going on within our marketplace, striving to continually learn, grow and build new capabilities so that we create better outcomes for our customers

WE'RE PASSIONATE ABOUT OUR CUSTOMERS AND OUR BUSINESS

We never forget bikers power our business – their diverse and everchanging needs will be at the heart of everything we do.
