

Web Application Developer

THE ROLE

Bennetts are recruiting for an experienced developer who is passionate about technology and software development. We are looking for someone with a background in Microsoft Technologies who can contribute to the stability and evolution of our diverse applications. Bennetts have embraced the Agile movement and are constantly evolving and you will have the opportunity to help define the way we work. Technical excellence and ability to coach others is essential for the role.

Technology stack: Microsoft .NET, Microsoft SQL Server, Visual Studio, C#, MVC, ASP.NET, ASP.NET Core, MicroServices, IIS, TFS, JavaScript, JQuery, PowerShell

WHAT WE'RE LOOKING FOR IN YOU

As well as possessing the right skills for the role, you need to be enthusiastic and passionate about all that you do. You will need to be an excellent communicator, able to convey complex technical ideas to both your peers and a non-technical audience. You will be passionate about sharing your knowledge with the rest of the team, continually introducing new and innovative ideas.

ABOUT BENNETTS

Bennetts is a market leading specialist motorcycle insurance broker. With over 240,000 customers, we've been around for over 85 years, but we never stand still. We pride ourselves on being different, innovative and ambitious. We've built the fastest growing, award-winning biking social network – BikeSocial – which is going from strength to strength. Now we're keen to continue to grow our business – our minds are well and truly open as to where we could take Bennetts in the future.

Bennetts is owned by the Saga Group and while our customer base differs, in that our customers are aged 16-90, we do benefit from the support and knowledge of the wider Group to deliver outstanding customer experiences to drive business growth.

OUR PRINCIPLES – WE HAVE FOUR BASIC PRINCIPLES THAT UNDERPIN HOW WE WORK

We're better together	Working as a highly effective team is crucial to the success of Bennetts.
We're passionate about our customers and our business	We never forget that our customers power our business and their diverse and ever changing needs are at the heart of everything we do.
We shape our future	We're champions of our own destiny, creating opportunities for our customers, our business and ourselves.
We listen, learn and act	We strive to listen, learn more and develop new capabilities that enable us to develop ourselves and create better outcomes for our customers.

WHAT WE OFFER YOU

Along with a welcoming working environment, you'll benefit from 25 days of annual leave for full-time colleagues plus Bank Holidays. If you have commitments outside of work, we have a flexible approach to how you work your hours – helping you to achieve a work/life balance that works for you. We also offer pension & life assurance, private medical cover, childcare vouchers, staff concessions and lifestyle vouchers, along with a strong focus on your own personal development.
